How Much Do Focus Groups Pay?

It depends on the exact focus group, but most of them pay between \$50-\$150 per hour.

Some focus groups will even pay participants up to \$400 an hour. The exact amount depends on how much time you spend in the group, and most groups last between 1-2 hours.

Focus groups are meant for companies to get valuable feedback on the perceptions and attitudes that people have toward their products, services, or solutions.
