The main focus of online gaming is to get you started.

They are usually priced in real money, so if you want to get started online you

should do a little research before buying any game.

You should also do a little research before you buy any game.

You should do a little research before you buy any game.

Abbreviations used in this article are:

DAS = Doubling down after pair splitting is allowed

If you are playing a multi-deck game where the rules specify the dealer must st

and on soft 17, you are slightly better off hitting against a dealer Ace rather

than doubling down.

STRATEGY 3: NEVER SPLIT A PAIR OF 5s OR TENS

STRATEGY 5: ALWAYS HIT ACE-7 (SOFT 18) WHEN THE DEALER'S UP CARD IS 9, 10, OR

ACE Players mistakenly believe that a hand that totals 18 is a sure win, which

is why they stand on soft 18 (A-7), especially when the dealer is showing a &quo
