Which option is the best?

It's a debit card, so you don't have to worry about getting a hit to your credit for opening the account

Why doesn't Amazon accept PayPal directly?

Second, PayPal is a direct competitor to Amazon's own payment service, the rather bluntly named Amazon Pay. Just as with PayPal, Amazon Pay is accepted by numerous third-party retailers, letting you use Amazon payment methods beyond the immediate orbit of Amazon itself.

What other payment methods are accepted by Amazon?

All major credit cards (Visa, MasterCard/EuroCard, Discover Network, American Ex) Tj T* BT

JCB

Unfortunately, there isn't a direct route. You'd have to initiate a transfer from your Amazon Payments account to your bank account, then transfer those funds into your PayPal account.

Vermont joined more than half the states in legalizing online sports betting Wednesday as Gov.

The legislation permits up to six companies - potentially household names such as DraftKings and FanDuel - to operate mobile sports betting platforms in Vermont.

127 a "limit" on platforms' ability to advertise to Vermonters under 21 years-old, who, legally, are barred from sports wagering.

Commissioner of Liquor and Lottery Wendy Knight told lawmakers that she is confident in her department's ability to keep platforms' advertising strategies in check.
