statistical research.

Player props are rolling in for the 2023 NFL season and I've been comparing

them -- as well as team win totals -- to my projections in order to find the bes

t values on the board.

However, check this out: if we look at Tagovailoa's 12 full games last seas

on, his 17-game pace was 4,870 yards.

As if that's not enough, Young's supporting cast remains a work in prog

ress, with Adam Thielen, DJ Chark, Hayden Hurst and rookie Jonathan Mingo his to

p targets.

5 is still too high a win total for Atlanta.

5 YPRR (seventh best among all WRs).

Sanders ran for 11 touchdowns last season, but his first three NFL seasons saw h

im score three, seven and zero rushing TDs.

Sanders has not generally been much of a factor near the goal line, as 2022 mar

ked his first season finishing inside the top 30 at running back in carries insi

de the opponent's 5 yard line.
