How long after someone clicks an Amazon Affiliate link do they have to purchase it for me to still get commissions?
You will get payment after two months. Suppose you're earning in January, It will be deposited to you at the end of March. And you need to earn at least \$10 to get payments.

The truth is....

For example if Kylie Jenner posted only Amazon affiliates links for one month, s

he'd likely make MILLIONS of dollars from Amazon.

Click just show how much you get from users, but when you convert it that is mai
