But, there are some people who will take your advice and follow it.
 They may not be in the same league as you are, but they are a lot more intellig

ent.
 The way I've been telling them about this is this: If you want to bet on th

e internet, you should be in the same league as the person who is betting on the

 internet.
 That person will probably be in the same league as you are.

Whether you live miles from Las Vegas, or even your nearest casino, the truth is

 most land-based casinos and sportsbooks can't compete with what online casi

nos and gambling sites have to offer.
 Lots of casinos even have bingo and poker rooms attached.
Online gambling sites offer lucrative welcome bonuses to new players.
 These bonuses give you hundreds of dollars, pounds or Euros in free cash in ret

urn for choosing them as your number one casino.
All online casinos abide by the strictest security standards.
 Regulated online gambling sites use industry-standard 128-bit or higher encrypt

ion to protect players.
 They also have independent auditors in place to test the software before it hit

s the market.
 All the sites we recommend have optimised their mobile gaming experiences, so c
