You can also see detailed line movement for each game by clicking the icon. You can see which percentage of bettors are backing each team at specific odds at our NFL consensus page.

Learn more with our point spread guide.

Moneyline The moneyline is one of the easiest ways to bet on NFL odds, asking bettors to simply pick which team they think will win the game.

Learn more with our moneyline guide and calculate how much money you can win using our moneyline calculator.

Odds makers will set an estimated point total for a game, and you can bet whether the final score will add up to more (Over) or less (Under) points than that total.

Learn more with our Over/Under guide.

Futures NFL futures are odds on events that take an extended period to play out, such as odds to win the Super Bowl, NFL season win totals, or odds to win NFL MVP.

Online gambling's legal status in Pennsylvania

But it was not until 2017 that the eighth such act, HB 271, was passed.

Gradually, however, the digital market ignited and over the next two years grew at a staggering rate.

Between July 2019 and July 2021, the total wagered online at PA casinos was \$40 billion — more than three-quarters of that in the second year.

The gambling age in PA

Taxes on gambling winnings

The proceeds of all forms of gambling in states across the union are seen as taxable income by the IRS.

It is strongly advised that you keep an accurate record of all your winnings and losses for your tax return.
