If you want to win at football or soccer betting, learn as much about the sport as you can, so you have a better idea of how different teams rank and how the le agues are structured.

You should also stay updated on critical developments, like athlete injuries, l ineup changes, or a new coach, and pay attention to the popular odds.

Then, convert the odds to pure probability by dividing the second number in the set of odds by the sum of both numbers, and multiplying the resulting decimal b y 100 for a percentage.

To keep the odds in your favor, limit your number of bets on a single slip, suc h as a specific club, player, or result.
