The payment schedule for Amazon Associates earnings depends on the payment method you choose and the payment threshold you have set in your account.

If you have set up a direct deposit payment method, you will be paid approximately 60 days after the end of the month in which you earned the commission. However,

if you have chosen to receive payment via Amazon gift card or check, the payment threshold is higher, and the payment schedule is longer.

Payment frequency: Amazon pays Associates on a monthly basis, so you will receive payment for your earnings at the end of each month. However, it can take a few

days for the payment to be processed and deposited into your account.

It will show your earning in earning reports page but it won't show up in Payment History Page until December 1 - 5. Don't worry about the amount you earning in October, it will show up in Payment History Page too after December 1 - 5.

Edit: Indians add 45 days to above mentioned time. New RBI rule is the worst yet.

. Now After submitting cheque it will take 45 days to get the money credited to your account. Seems like Christmas earning comes after Easter.
