College Football Betting Picks

The table above shows the results of our past 100 college football computer picks.

Doesn't make sense to you? Let us explain college football picks in greater detail.

As human beings, our opinions are naturally biased and this can affect our sports betting decisions.

But computers could care less whether you love DJ Uiagalelei or dislike Bryce Young.

Why Should I Use college football Computer Picks?

College football computer selections are only reliable with accurate stats, and solid formulas and algorithms.

For example, does the formula take into consideration player data and weather conditions? If the algorithm is complex enough, you might just have greater success in picking more college football bets.
