How to join the VIP program

As soon as you join Jackpot City you're rewarded with 2,500 loyalty points and added as a bronze-level member of the VIP program.

You can use the points to claim bonuses, free spins, free credits and wagering cash as you play.

You're also able to use your loyalty points in Jackpot City's sister casinos Spin Palace, Ruby Fortune and Mummy's Gold Casino.

What benefits do you get?

As a member of the VIP program you'll get access to exclusive bonuses, free spins, a personal VIP host who's available 24/7, and many other benefits.

The default bonuses could be higher for the first levels of the program, but Jackpot City's VIP program is great as it gives all players a chance to enter,

and you get other excellent bonuses and daily specials.

To be able to stay as a VIP, and to reach the higher levels, you have to continue betting on the site.

The Jacksonville Jaguars say they always believed they had a chance at coming back from a 27-point deficit to win Saturday night.

When the Chargers went up 27-0, a bettor bet \$1.

DKSportsbook has confirmed that this bet was indeed made.

pic.

The massive risk for a relatively small reward blew up in the bettor's face.

Giant six-figure wagers come in on UNDER 47.

99/month subscription for every two months.

However, predicting Jackpot games is a nightmare for many bettors.

.

.

Teams struggling in the league will give little attention to other ongoing competitions.

3.

Identify the draws

Strong teams competing directly for a league or promotion tend to play out a stalemate.

Betting on jackpots requires consistency.
