While the company has a strict Anti-Manipulation Policy for Customer Reviews and encourages consumers to report suspected bogus reviews, many people do not know how to do this.

To lure potential buyers into buying more of their products

Send an Email to Amazon

Truth is, many buyers have raised concerns about their reports not having any impact.

These include:

At the very least, Amazon will suspend the seller's account for promoting fake reviews.

Bottom line: sellers with fake reviews could face lawsuits resulting in monetary judgments that are over and above their annual revenue. In other words, your report can help put a stop to sellers and their cohorts from spreading fake and misleading reviews on Amazon.

Now that you understand how to report fake reviews on Amazon, you can shop more confidently, knowing that the company will take you seriously if you have been misled by reviews on any product.
