This delightful book about animals, and how you can learn about the animals without spending a lot of money.

[Image] It's got animals, animals, animals, animals.

Accumulator (ACCA) Bet

Accumulator bets are single wagers, combined with other wagers into one bet.

You can place these bets across one event or more, even across various sports. This type of betting is also called “Futures” on some bookmaker platforms.

Over/Under bets let you wager if a specific event in the match like the total number of goals, or other types of numbered statistic.

For example, whether a team would win or lose by a specific amount of points. Three-Way Handicap

Three-Way handicap is also called a European Handicap.

Teasers are similar to Accumulators (Parlays).
