The decision to bring legal sports betting to Washington State came as a surprise to many industry observers as the Evergreen State had historically heavily enforced laws controlling gambling.

The Seattle Sounders joined MLS as an expansion team in 2009, resurrecting the identity of the old Sounders who played in the NASL from 1974 to 1983.

The team may be new, but they have wasted no time into becoming one of the powerhouses of North American soccer.

However, the team has paid tribute to their past by raising a banner in tribute of the 1917 Stanley Cup-winning Seattle Metropolitans.

You'll achieve a bigger win if you bet on the underdog and that team wins,

but underdog victories come with a lower percentage probability than the favorite winning.

In the above example, if you bet \$50 on the Browns at (-215) and the bet wins, your payout would look like this:

$(100/215) * \$50$  Which equates to:

If Rams win the game by exactly four points, the bet is a push.

For instance:

Team Odds Toronto -260 Boston +220

Odds would look something like this:
